**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thanks to competitive telecommunication laws, My internet provider (Sonic) has been able to build and connect tens of thousands of members on thier own fiber network. But, thats only a portion of the customer base. Sonic needs continued access to copper as a bridge to fiber so that they can get me, and everyone else, connected to the fastest, most affordable internet available.

Please do not prevent my internet provider from growing.

Best,
